## PROFESSIONAL SUMMARY

A full-stack web developer with a 10-year background in education and strong experience in data segmentation and stakeholder collaboration. The ability to solve problems in real-time in professional settings has been key to my success. Currently expanding my technical expertise through a 15-week intensive software engineering program. My insight into educational platforms and their data usage allows me to identify gaps and opportunities for improvement. Offering educational tech companies a more nuanced approach to leveraging existing data for both stakeholders and end-users. Committed to continuous learning and contributing creativity as a junior web developer or junior data analyst.

## TECHNICAL SKILLS:

**Programming Languages:** - SQL, Visual Studio Code, HTML, CSS, C++, Java, JavaScript

**Web Development:** -Git, Docker, Jenkins, JIRA

**Database Management:** - MySQL, MongoDB, PostgreSQL, SSRS, SSIS, & SSAS

**Software Tools:** - Microsoft Office Packages, Github, UML, SharePoint, SQL Server, Tableau, Power BI, Visual Studio, Node.js

## PROJECTS:

### Task Management App, January 2026

A full-stack project management application built with the MERN stack (MongoDB, Express, React, [Node.js](#)). Pro-Tasker helps users organize projects and tasks with real-time activity tracking, dynamic filtering, and intelligent due date warnings.

### Interactive Math and Logic App, February 2026

An interactive educational quiz application built with React, TypeScript, and Bootstrap. Brain Quest Arena challenges users with math and logic puzzles, features a dynamic ranking system, and redirects learners to curated educational resources based on their performance.

## EDUCATION/CERTIFICATIONS:

**Per Scholas Software Engineering MERN Stack training** 2026

Remote (15-week hybrid environment training, including:

HTML | CSS | JavaScript | Node.js | Express.js | MongoDB | React | SQL

**Georgia Teaching Certification** 2017

**Master of Arts | Teaching | Georgia State University** 2017

**Bachelor of Science | Political Science | Southern University A & M** 2010

## WORK EXPERIENCE:

**English Learner of Other Languages Teacher, Marietta, GA** 2024-2025

- Designed and delivered an altered version of the Georgia-based curriculum that addressed the diverse linguistic backgrounds and needs of ELL students.
- Collaborated with other colleagues to integrate various instructional technologies that enhanced learner experiences and instruction.
- Participated in data-driven segmenting and planning.

**General Studies Teacher, Atlanta, GA**

2023-2024

- Instructed and facilitated the Georgia Standards of Excellence (GSE) curriculum in an inclusive classroom setting.
- Differentiated instruction using data-driven strategies to meet individual learning goals and maximize student engagement and achievement.
- Collaborated with community stakeholders to strengthen school–community partnerships and expand access to educational resources and enrichment opportunities. Participated and data-driven segmentation and planning.

**General Studies Teacher, Atlanta, GA**

2019- 2022

- Founding member of Kipp Woodson Park Academy. Instructed and facilitated the Georgia Standards of Excellence (GSE) curriculum, along with Engage NY, for mathematics.
- Served on the school’s Data Projection and Planning Committee, analyzing student performance trends to inform instructional decisions and strategic school improvement initiatives.

**General Studies Teacher, East Point, GA**

2016- 2019

- Teacher of The Year Award in 2017.
- Facilitated the learning of students in an urban setting with the Georgia Standards of Excellence curriculum.
- Collaborated with community stakeholders to start the school's first math project fair. Participated and data-driven segmenting and planning.
